1st Alumni Volleyball

November 7th, was the first alumni volleyball game. There were enough men and women to have three teams. The money that we made went into our scholarship fund.

Did you know that the first volleyball team, at Felicity, was started in 1985? Since then we have had several teams that won the district.

2nd Annual Alumni Basketball Game

In March we held our second basketball game. We had a good turn out for the basketball teams. We had some cheerleaders and the Cardinal Mascot come out and cheered the teams on. Our money was added to our scholarship fund

GIRLS SOFTBALL TEAM

The softball team has a record of 14-0 at this printing. They only have 4 more games to go. Only 1 run has been scored against them. Pitcher Montana Wear is a sophomore. They have scored over 70 runs so far this year. The JV softball team is 10-3 right now also. This year's team is awesome.

ALUMNI WEB PAGE NOT OURS

There is a web site, Felicity Franklin Alumni and Reunions, that is not the school is web page. There is a site that wants you to pay money. Our alumni does not ask you for any money unless it is for the alumni dinner that we have once a year. That site takes your money and you get nothing in return. Please do not send them money.

If you move or are planning to move please keep us informed. It is a huge task keeping the address list up to date. We have a new E-mail address it is alumni@felicityschools.org or call 513-876-2113, ext 324. Also, you can find Barb Marshall on Facebook. Some classes have their own Facebook accounts.

**From the desk of the
Superintendent**

As members of the Felicity-Franklin Alumni Association you provide a support network for your schools that can serve to facilitate ideas, communication, community support, education, and provide economic opportunities.

It continues to be both an interesting and extremely challenging time within the community. The economic news can and has been concerning. We have had to continue to find ways to maintain our level of services despite financial concerns. The students we are responsible for deserve a well rounded education that puts them in a good position to compete in the global economy. Your continued support is appreciated. Your input is always welcome. It is the push we need to improve the role we play in the life of Felicity-Franklin Local schools.

Your support is greatly appreciated. Your input is expected. We continue to do exemplary work that builds pride in the schools and within the community.

I encourage you to continue as an active member of the association. With your help and support we will continue our efforts to meet and exceed your expectations.
