

FUNd for the KIDS

November 3, 2011

Dear Cardinals Sports Fan:

FUNd for the KIDS is a non-profit organization consisting of community and parent volunteers dedicated to promoting and enhancing Felicity-Franklin Schools' athletic programs. The money raised has contributed to continuing with High School and Middle School basketball teams, the HS tennis team, supporting student athletes in their pay to participate money for fall, winter and spring sports and purchasing jerseys and equipment.

Financial assistance comes from fundraisers and sponsorship within the community. In the past, the Cardinal Ball has been a huge success for revenue for this organization, but with the continued difficulty in today's economy, it was agreed to take a year off from this event.

To preserve and support our athletic programs, FUNd for KIDS still needs participation from the community and we are asking for your help. We are offering 3 levels of participation as a member of FUNd for the KIDS. We hope we can count on you to join us in our efforts.

Please consider getting involved with our organization. With your contribution, you will be added to our monthly newsletter but we encourage you to join our meetings. We meet on the first Monday of the month at 7pm at our local FeedMill Restaurant, upstairs. All are ideas are welcome or join us to hear about the organization's upcoming events.

FUNd for the KIDS would like to wish all our student-athletes success in all their events and activities. We believe that the lessons our kids learn through athletics are an important complement to their academic environment. The friendships formed as part of a team, dedication to a goal, the need to be a role model and leader to younger students are all opportunities presented to our athletes when they participate in the sports programs of Felicity-Franklin Schools.

Thank you again for your continued help and support of Felicity-Franklin athletic programs through FUNd for the KIDS.

Regards,

Tricia Liming, President; Kelli Smith, Vice-President; Vicki Griffith, Treasurer

FUNd for the KIDS

Yes, I'd like to contribute to the FUNd for the KIDS organization.
